ABOUT ME

I am highly creative and skilled graphic designer with a passion for visual communication and a strong proficiency in various design software. Committed to delivering innovative and aesthetically appealing design solutions to clients and exceeding their expectations. Seeking a challenging position in a dynamic organization where I can contribute my talents and continue to grow as a graphic designer.

JOB EXPERIENCE

GRAPHIC COURSEWORK

2022 -2023

University of Education, Winneba

I have successfully completed a comprehensive course covering essential graphic design principles, typography, and digital imaging techniques. Throughout the program, I honed my skills and knowledge in these areas, enabling me to create visually appealing and effective designs. As evidence of my progress, I have meticulously crafted a compelling portfolio that showcases a diverse range of design projects completed during the course.

GRAPHIC DESIGN INTERN

2022 -2023

Ellis Digital Printing / Obuasi

During my tenure, I actively supported the design team in developing captivating marketing materials for various promotional campaigns. Through this valuable opportunity, I acquired practical, hands-on experience in utilizing industry-standard design software and tools. This experience has significantly enriched my skill set and furthered my expertise in the field of graphic design.
